Subject: EZ Enroute Parent/Guardian App

In the past few months, we have been working with EZ Enroute to help with our bus routes. SBE Transportation will be sending out emails that were provided by the schools with a link to Google Play (Android) and Apple Store (iPhone). These apps will allow you to track when the bus will be in your area for pick up/drop off in real time. These emails will be sent out in the upcoming weeks. They will include the links for the apps and instructions on how to set up an account. If you do not receive an email please contact Transportation.

If you require any further information, please feel free to contact Transportation at 403-734-4028.
