Join us in celebrating 35 years of the Siksika Board of Education.

Oki,

We hope this message finds you brimming with vitality and overflowing with joy! Brace yourself for an electrifying announcement: the upcoming school year, 2024-2025, marks a momentous milestone in our journey, as it proudly celebrates our 35th anniversary! Get ready for an extraordinary year ahead! On behalf of the Siksika Board of Education, I am writing to request your support, as we celebrate this significant milestone – 35 years of providing quality education to the students of Siksika Nation.

Since our establishment in 1989, the Siksika Board of Education has been dedicated to empowering individuals through education. Over the past three and a half decades, we have served thousands of children, families needing extra support, and provincial partners in supporting Indigenous youth in their schools. Our commitment to educational excellence has transformed lives and paved the way for a brighter future for many.

To commemorate these 35 years, we are planning a special event on October 18 & 19, 2024, brimming with activities and opportunities for the community to come together in support of education. We intend to highlight the impact of education on personal growth, job opportunities, and the overall development of our society. Celebrating our past, while looking to the future with optimism and excitement.

However, organizing such an event requires significant resources. This is where we humbly request your support. Your generosity and commitment to the Siksika Board of Education has always been invaluable to us. With your help, we can make this celebration truly memorable and continue our mission of providing education to those who need it most.

Your donation will contribute directly to various aspects of the event, such as organizing guest speakers, arranging exhibitions showcasing success stories, creating educational workshops, and providing meals to attendees. Additionally, it will also allow us to offer scholarships and financial aid to deserving students, ensuring that financial limitations never hinder their access to education.

We invite you to be a part of this celebration by contributing any amount that feels suitable to you. No matter the size, your generous donation will be instrumental in our efforts to honor 35 years of educational excellence on the Siksika Nation.
