Notice to the Siksika Community: Upcoming Alberta Teachers Strike

We are reaching out to inform our community about the upcoming strike action by the Alberta Teachers Association, scheduled to begin on Monday, October 6, 2025. We recognize that this may be a stressful time for many families and want to clarify how this will impact our schools.

All Siksika Board of Education schools will remain open and operate as usual during the strike. Our staff and programs will continue without interruption for our currently enrolled students.

Please note, however, that we are not able to accept or accommodate students who may be displaced from provincial schools as a result of the strike. Our resources are dedicated to those already registered within our system, and we are unable to extend our capacity at this time.

If your child is currently registered in a provincial school, we encourage you to work directly with your child's school administration to understand their plans and to make preparations for the strike period.

We appreciate your understanding and cooperation as we do our best to support our students and community through this situation. If you have questions about Siksika Board of Education operations, please contact our office.

Thank you,

Siksika Board of Education
